Independent Auditor's Report

to the Trustees of The Wanaka Community House Charitable Trust

Our Qualified Opinion

We have audited the financial statements of The Wanaka Community House Charitable Trust (the Trust) which comprise the statement of financial position as at 31 December 2020 and the statement of financial performance and statement of cash flows for the year then ended, and the statement of accounting policies and other explanatory information.

In our opinion, except for the possible effects of the matter described in the *Basis for Qualified Opinion* section of our report, the financial statements included in the accompanying Performance Report present fairly, in all material respects, the financial position of the Trust as at 31 December 2020 and its financial performance and cash flows for the year ended on that date in accordance with the accounting standard, Public Benefit Entity Simple Format Reporting-Accrual (Not-For-Profit).

Basis for Qualified Opinion

In common with other organisations of a similar nature, control over the revenues from donations, fundraising and similar income prior to being banked is limited. It was not practicable to extend our examination of such income beyond the accounting for amounts received as shown by the accounting records of the Trust, or to determine the effect of the limited control.

We conducted our audit in accordance with International Standards on Auditing (New Zealand) (ISAs (NZ)). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Trust in accordance with Professional and Ethical Standard 1 (Revised) Code of Ethics for Assurance Practitioners issued by the New Zealand Auditing and Assurance Standards Board and the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Information Other than the Financial Statements and Auditor's Report

Other information included in the Performance Report with the financial statements comprises the entity information and the statement of service performance. The Trustees are responsible for this other information. Our qualified opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. We are required to report any misstatement of other information. We have nothing to report in this regard.

Trustees' Responsibilities for the Financial Statements

The Trustees are responsible, on behalf of the Trust, for the preparation and fair presentation of the financial statements in accordance with Public Benefit Entity Simple Format Reporting-Accrual (Not-For-Profit), and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements the Trustees are responsible for assessing the Trust's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the Trust or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (NZ) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material, if individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the External Reporting Board website: https://xrb.govt.nz/Site/Auditing_Assurance_Standards/Current_Standards/Page8.aspx

This report is made solely to the Trustees as a body. Our audit work has been undertaken so that we might state to the Trustees those matters which we are required to state in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Trustees, as a body, for our audit work, for this report or for the opinions we have formed.
